

PASTORS & LEADERS

luncheon

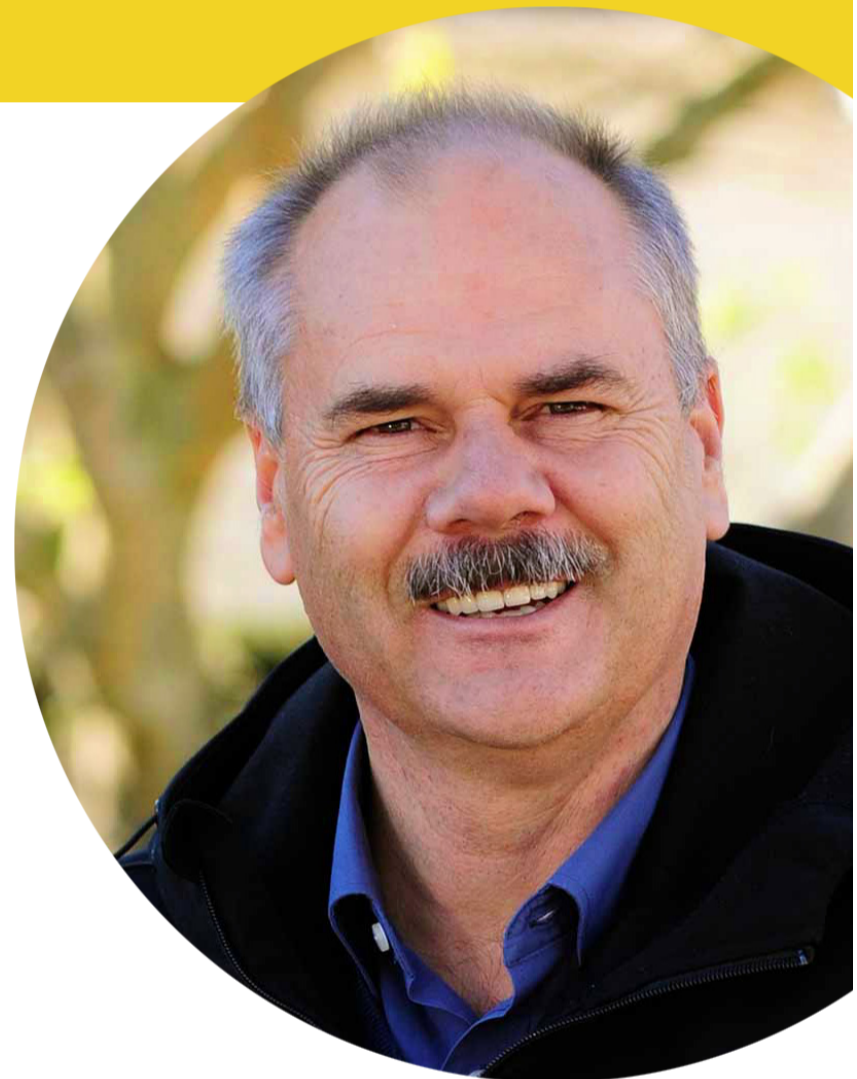

TOPIC:

Let's Finish What Jesus Started

With Francois Carr

During his time with the South African Defence Force, Francois felt a call of the Lord into a revival related ministry. In 1999 he founded Heart Cry Ministries which focuses on helping people to experience more intimacy with God and mentors spiritual leaders & churches to become catalysts for revival. Francois travels to NZ yearly to support churches and teaches the Capernwray students on prayer and "rediscovering the joy of fellowship with the things we already know".

His topic with us for this day is "Let's finish what Jesus started".
