WELCOME TO CAPERNWRAY CONFERENCE CENTRE AT MONA VALE HOMESTEAD

Monavale Homestead is owned and operated by Torchbearer Trust of New Zealand. It serves as a Residential Bible School and when school's out, a Conference and Function Centre. Set on an attractive property in the Waikato heartland, its beautiful gardens complement the historic 100 year old Homestead. The additional buildings, which house the main conference rooms and accommodation, have been designed to harmonize with the Homestead to create a unique and pleasing facility. With an experienced barista we provide fair-trade coffees, a selection of teas, a range of creamy smoothies and frappes, refreshing juices and delicious cakes and biscuits. Another great place to relax and mix with guests, Solomon's Couch is warm and cosy in winter, light and airy in summer and has wireless internet access. During conferences, afternoons are a popular opening time or how about a café style evening to end your day's programme? This is also an ideal venue for more intimate or private functions.

Gardens

Camellias in winter, bulbs in spring, roses abundant in summer, there are five acres of lawns, trees and gardens for our guests to enjoy. A gentle stroll, a game of croquet, doubles for tennis; how lovely to cool down with a dip in our salt water pool. If you are here for a conference you are welcome to use our outdoor facilities but they are also available as a venue on their own. Our gardens have seen weddings, dinners, afternoon teas and been used as photo backdrops. A Fair day held in our gardens to celebrate the 100th anniversary of our Homestead was complete with stalls, marquees and Clydesdale horses.
