## Student Agreement to Attend School Policy – Capernwray New Zealand

### **TIMETABLE**

Students are expected to devote themselves fully to their studies in lectures and study periods which are compulsory, and to participate willingly and with promptness to the programme throughout the day as punctuality and cooperation are essential for the smooth running and well-being of the School. All lectures are in English and it is necessary that you understand, speak and write English fluently. All students join together on Sunday evenings for Fellowship and certain weekday mornings for Worship. All students help in daily domestic duties. All students are involved in regular outreach commitments which includes 'Ministry Week' which may involve a stay away from the School for one week per Term.

### **STUDY OBLIGATIONS**

Students are expected to complete the Course applied for, arriving on the first day of School and remaining to the closing date. Failure to meet these criteria may lead to forfeiture of the Bible School Certificate. The Director/Principal reserve the right to reassess the enrolment of any student whose performance or behaviour is consistently lacking, in which case the balance of fees may be forfeited. Lecture notes are sometimes made available, but students are required to take their own notes in all lectures.

### **ASSIGNMENTS**

Written assignments are set and assessed on a weekly basis. Grades will count towards the certificate awarded at the end of the Course.

### **APPEARANCE**

**Clothing:** Our expectation is that clothing should be clean, tidy and modest regardless of the prevailing trends in society. Students are required to dress neatly for Church. **Hairstyles:** Hair is expected to be kept clean, tidy and well-groomed. Once School has commenced we do not allow students to dye their hair with a colour not naturally occurring in hair, eg. pink, green, blue etc. Also we reserve the right to stop any trends which we consider unhelpful.

### **CULTURAL ADJUSTMENTS**

Students acknowledge that in attending one of our Bible Schools they will be moving into a different national culture, and must be willing to make the necessary adjustments.

### **ACCOMMODATION**

It is normally necessary to share a bedroom with a number of others in dormitory-style accommodation. Age is taken into consideration when assigning you to your accommodation.

### **CONDUCT**

Smoking/ Vaping, alcohol and drug use are not permitted.
